

# IN THE TIME OF HARVEST

## **The Everlasting Gospel in Prophecy**

*Throughout the entire history of this old world since the fall of man, the Everlasting Gospel has been inseparably linked with Prophecy. Those who are trying to present a Gospel Message that is not woven through and through with the Golden Thread of Prophecy, will find their preaching degenerate into sentimental foolishness. God Himself states His claim to Godhood is based on the fact that He alone can tell the End from the Beginning. Here we wish to echo the very first words that Jesus preached when He began His ministry: "The time is fulfilled, and the kingdom of God is at hand: repent ye, and believe the Gospel!"*

**Repeat of History**  
**#14 in Time of Harvest Series**  
**Jamal Sankey**

In this series we've been looking at the Gospel. We saw how Jesus Christ gives us the ability to live the triumphant life. We saw that prophecy is definitely connected with that triumphant experience. Now we are going in and point by point looking at the very thing that God has ordained to bring revival in Adventism.

This revival is not just some flight of feeling. The revival is the Latter Rain. The Latter Rain is not, as some teach, an emotional thing. The Latter Rain is something that is very mental indeed. God wants His people to understand prophecy.

The whole Word of God is written for our time. Everything in the Word of God actually points to this hour. When you think about this, you begin to realize the magnitude of the times in which we're living. If God took all these years of painstaking effort to chronicle in order the events that transpire, only to be a shadow of the true here at the end of the world, it really brings to our understanding that these times in which we live are solemn and important.

In the last presentation we began with Daniel 11 and started looking at the history and we read this statement showing very clearly that that time is to repeat:

"We have no time to lose. Troublous times are before us. The world is stirred with the spirit of war. Soon the scenes of trouble spoken of in the prophecies will take place. The prophecy in the eleventh of Daniel has nearly reached its complete fulfillment. Much of the history that has taken place in fulfillment of this prophecy will be repeated. In the thirtieth verse a power is spoken of that "shall be grieved, and return, and have

indignation against the holy covenant: so shall he do; he shall even return, and have intelligence with them that forsake the holy covenant." [Verses 31-36, quoted.]

Scenes similar to those described in these words will take place. We see evidence that Satan is fast obtaining the control of human minds who have not the fear of God before them. Let all read and understand the prophecies of this book, for we are now entering upon the time of trouble spoken of: [Dan. 12:1-4, quoted.]" {13MR 394.}

Notice that she didn't say these scenes MAY take place; or that there is a possibility they might take place; she says they WILL take place. Now if you are curious and you read a statement like that, the first thing that pops into your mind is that you need to understand this history. If these things are to repeat and I'm living at the most awesome time in history—I need to understand what happened in the past—so you go back and begin to study and you see these certain things that happened in the past. I've given you these Nine Keys, and there is actually much more that could be shown, but we'll stay with the nine as we go through and delineate verses 40-45. Some of the things may sound a bit new, but nevertheless, they are written in the Word of God.

Turn to Daniel 11, and you will recall that there was a long drawn-out war between the King of the North and the King of the South.

#### The Northern and Southern Kings

The way we identify the prophetic kingdoms of the north and south is by identifying who controlled the areas north (Babylon) and south (Egypt) of Jerusalem. The power controlling Babylon passed from Medo-Persia to Greece and to Pagan Rome and we are now where Papal Rome is the King of the North.

The King of the South is the power that occupies the region of Egypt.

There is a rule that we need to apply, and we are going to look at the words of the greatest Teacher that ever lived—Jesus Christ, to see this rule demonstrated:

#### Prophetic Rules

"Worldwide Symbolized by the Local" For example, literal Babylon, at the end of the world, becomes spiritual Babylon.

- Matthew 24:1-3 "And Jesus went out, and departed from the temple: and his disciples came to him for to shew him the buildings of the temple. 2 And Jesus said unto them, See ye not all these things? verily I say unto you, There shall not be left here one stone upon another, that shall not be thrown down. 3 And as he sat upon the Mount of Olives, the disciples came unto him privately, saying, Tell us, when shall these things be? and what shall be the sign of thy coming, and of the end of the world?"

Now we know that in Matthew 24 as Jesus taught, He mingled the account of the destruction of Jerusalem with that which is to take place at the end of time. He took what was to happen locally at the destruction of Jerusalem and applied it to the end of the world.

“Christ saw in Jerusalem a symbol of the world hardened in unbelief and rebellion, and hastening on to meet the retributive judgments of God...

“Jesus, looking down to the last generation, saw the world involved in a deception similar to that which caused the destruction of Jerusalem...

“The prophecy which He uttered was twofold in its meaning; while foreshadowing the destruction of Jerusalem, it prefigured also the terrors of the last great day...

“The Saviour's prophecy concerning the visitation of judgments upon Jerusalem is to have another fulfillment, of which that terrible desolation was but a faint shadow. In the fate of the chosen city we may behold the doom of a world that has rejected God's mercy and trampled upon His law...” *The Great Controversy, 22-36*

So the Bible shows that as Jesus looked at Jerusalem His prophetic eye penetrated and looked at the end of time. He used symbolic language of applying local events to designate world-wide happenings.

There is a principle to this that we call, “The Triple Application of Prophecy” This principle causes all things to fall into their respective places, designated by where Christ is:

1. Before the cross: The national kingdom of God, in the time of the literal economy: centered in literal Jerusalem, and pertaining to the land of Israel. Jesus was literally with Israel in the Pillar of Cloud; literally there in the Shekinah Glory; and literally walking the streets of Jerusalem in the time of His ministry.

2. After the cross: Christ's spiritual kingdom: centered in spiritual Jerusalem, the church, and embracing the world.

3. After the millennium: Christ's eternal kingdom: with His seat of government literally centered in the New Jerusalem.

We are after the cross today and before the millennium so we are in the spiritual kingdom, the dispensation of the Holy Spirit. If Jesus were to come today and take us home, we would go back to the literal because He would be literally with us.

- Daniel 11:40 “And at the time of the end shall the king of the south push at him: and the king of the north shall come against him like a whirlwind, with chariots, and with horsemen, and with many ships; and he shall enter into the countries, and shall overflow and pass over.”

We saw that when a time prophecy is given, when the time prophecy comes to its fulfillment, it is called ‘the time of the end’. Look back at verse 33:

- 33 “And they that understand among the people shall instruct many: yet they shall fall by the sword, and by flame, by captivity, and by spoil, many days.”

The 'Many Days' applied to what Jesus called 'Those Days' in reference to the 1,260 years of Papal supremacy. It started in 538 and ended in 1798. referring to 'Those Days' it goes on in verse 34:

- 34 "Now when they shall fall, they shall be holpen with a little help: but many shall cleave to them with flatteries. 35 And some of them of understanding shall fall, to try them, and to purge, and to make them white, even to the time of the end: because it is yet for a time appointed."

What is the 'Time of the End'? 1798; we know that from the time prophecy given in verse 33. A 'Time Appointed'? 1798. as you read from 33-39 there are no other time prophecies mentions so we can know that in verse 40 when it says, 'at the time of the end', it's referring to that same time—1798.

- Daniel 11:40 "And at the time of the end shall the king of the south push at him:"

The 'him' is the King of the North; Papal Rome is now the King of the North and the King of the South now comes in 1798 and 'pushes' at the King of the North.

The South is whoever controls the areas of Egypt, and we are in the Spiritual application time now. We need to find out who the King of the South is—and now it is spiritual so who controls spiritual Egypt here?

### The King of the South

#### Applying the principles

- Revelation 11:7, 8 "And when they shall have finished their testimony, the beast that ascendeth out of the bottomless pit shall make war against them, and shall overcome them, and kill them."

This is referring to the Bible at the time of the revolution that transpired in France. These 'Two Witnesses' were killed; these 'Two Witnesses' were the Bible, Old and New Testament.

- 8 "And their dead bodies shall lie in the street of the great city, which spiritually is called Sodom and Egypt, where also our Lord was crucified."

The Bible tells us here, this is a spiritual application. This power is spiritually called Sodom and Egypt and also where our Lord was crucified. Was Jesus crucified in Sodom or Egypt? We have to understand what that means. Jesus Christ is the Word. Who is Sodom and Egypt? If you look at the spiritual condition of Egypt when Moses came before Pharaoh:

- Exodus 5:1, 2 "And afterward Moses and Aaron went in, and told Pharaoh, Thus saith the LORD God of Israel, Let my people go, that they may hold a feast unto me in the wilderness. 2 And Pharaoh said, Who is the LORD, that I should obey his voice to let Israel go? I know not the LORD, neither will I let Israel go."

This is the symbol of Atheism; Egypt is a symbol of Atheism. What about Sodom, what took place there? There was gross licentiousness. What power was both atheistic in view and licentious in character? France was during the French Revolution.

"The great city" in whose streets the witnesses are slain, and where their dead bodies lie, is "spiritually" Egypt. Of all nations presented in Bible history, Egypt most boldly denied the existence of the living God and resisted His commands. No monarch ever ventured upon more open and highhanded rebellion against the authority of Heaven than did the king of Egypt. When the message was brought him by Moses, in the name of the Lord, Pharaoh proudly answered: "Who is Jehovah, that I should hearken unto His voice to let Israel go? I know not Jehovah, and moreover I will not let Israel go." Exodus 5:2, A.R.V. This is atheism, and the nation represented by Egypt would give voice to a similar denial of the claims of the living God and would manifest a like spirit of unbelief and defiance. "The great city" is also compared, "spiritually," to Sodom. The corruption of Sodom in breaking the law of God was especially manifested in licentiousness. And this sin was also to be a pre-eminent characteristic of the nation that should fulfill the specifications of this scripture.

"According to the words of the prophet, then, a little before the year 1798 some power of satanic origin and character would rise to make war upon the Bible. And in the land where the testimony of God's two witnesses should thus be silenced, there would be manifest the atheism of the Pharaoh and the licentiousness of Sodom.

"This prophecy has received a most exact and striking fulfillment in the history of France. During the Revolution, in 1793, "the world for the first time heard an assembly of men, born and educated in civilization, and assuming the right to govern one of the finest of the European nations, uplift their united voice to deny the most solemn truth which man's soul receives, and renounce unanimously the belief and worship of a Deity."-- Sir Walter Scott, *Life of Napoleon*, vol. 1, ch. 17. "France is the only nation in the world concerning which the authentic record survives, that as a nation she lifted her hand in open rebellion against the Author of the universe. Plenty of blasphemers, plenty of infidels, there have been, and still continue to be, in England, Germany, Spain, and elsewhere; but France stands apart in the world's history as the single state which, by the decree of her Legislative Assembly, pronounced that there was no God, and of which the entire population of the capital, and a vast majority elsewhere, women as well as men, danced and sang with joy in accepting the announcement."--Blackwood's Magazine, November, 1870. {GC 269}

So we have an understanding that the King of the South in 1798 was atheistic France. You will find that most of these verses, although often misapplied and not understood by the majority of our people, are actually simple and easy to understand.

### The Warfare

Daniel 11:40 “**And at the time of the end** (1798) shall the king of the south (France) **push at him (the Papacy).**”

What does it mean to ‘push’? It means waging a conflict.

**PUSH** – 5055: to butt with the horns; fig. to war against: gore, push (down, ing) – *Strong’s*

Atheistic France would wage war against the king of the north in 1798. Did this happen in history? Yes, notice Revelation 13:2. We saw this first composite beast is the Papacy.

- 13:2 “And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority.”

The Dragon power is Pagan Rome; Pagan Rome gave his power to the Papacy. The next verse says:

- 13:3 “And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast.”

The deadly wound was inflicted on the Papacy in 1798. It says the ‘deadly wound’ would be healed. This deadly wound was not healed right away. Many read this verse and think that right after the wound was given, it was healed. Even Uriah Smith in Daniel and Revelation made that error; but this is referring to three separate events. The deadly wound would be inflicted: the wound would be healed: and then the world would wonder after the Beast.

We talked about the principle that  $1 + 2 = 3$ . We saw the history of Pagan Rome: In order to come into power, Pagan Rome had to overcome three geographical obstacles: the South (Egypt), the East (Syria), and the Pleasant Land (Palestine). As soon as it overcame its three geographical areas it sat as king over the world.

Then we saw Papal Rome, with the help of those seven European kings, overcame three geographical obstacles; the Huns, the Vandals, and the Ostrogoths. Then after that in 538 when it sat as king over the world, it was given a time prophecy, 1,260 years, ending in 1798 when it lost its power. It still continued as a church but the civil power was lost.

The first history of Rome + the second history of Rome = the third history of Rome, which would be when the deadly wound would be healed. So in order for it to be healed we should see three obstacles. We need to get the point that it can’t be two geographical areas and one church power! If  $1 + 2 = 3$ , if this were so, you would have to see an ecclesiastical church power in the history of Pagan and Papal Rome, and they overcame geography.

So when Papal Rome’s deadly wound is healed it overcomes three geographical powers and Daniel 11:40-45 lays down step by step how it happens. Turn back to Daniel 11:30:

- Daniel 11:30 “For the ships of Chittim shall come against him: therefore he shall be grieved, and return, and have indignation against the holy covenant: so shall he do; he shall even return, and have intelligence with them that forsake the holy covenant.”

This is where Sister White told us these verses would be repeated, she began in verse 30 and went to 36. Here we see, “For the ships of Chittim shall come against him:” and we see a colon, this means a lot, because the first part of the verse has to do with Pagan Rome being grieved. After the colon it jumps a big gap of time and deals with Papal Rome.

We see the same thing in verse 40:

- Daniel 11:40 “And at the time of the end shall the king of the south push at him:”

Then there is a colon—1798, and then a gap of time. For us at the end of the world we need to fill in the blanks. What transpired between 1798 and the next event? Now we are going to begin going through some of the nine keys we saw in the last presentation, and this will bring these things to life. But one of the things we saw happening in verse 30, Eastern Rome was grieved. Chosroes of Persia was fighting against Pagan Rome. They were besieged in Constantinople and couldn't get out. Then after 6 years he put them under tribute and they accepted it in order to buy time. Then during this year they made this long journey through the Black Sea and Armenia and came down right into the heart of Persia and struck.

So after that 'grieved' period they were buying time, seeking for vantage ground. Once they found the vantage ground they would strike and from that point on it was curtains for that power.

Now in verse 40, in 1798 the same event transpired. France is a second Persian power. Why do we say that? In Medo-Persia, there were two powers together; the 2 arms of Daniel 2; the Bear raised up on one side in Daniel 7; the Ram with 2 horns in Daniel 9. In 1798 the second Persian power, France, grieves the Papacy.

But now in verse 30, Persia remained in power until it was struck by Rome again; but Atheistic France did not remain in power after 1798. But what was rising into power at that time was a third Persian power, this power had 2 powers in it; Revelation 13 calls it the Lamb-like Beast, United States of America, with two powers, Protestantism and Republicanism. United States plays another third Persian power. What happened with Persia? Rome was buying time Rome was buying time, seeking for vantage ground in order to strike.

We'll deal with this vantage ground breakdown in a later presentation, but from 1798 time period there was something that God was trying to do and something that Satan was trying to do. There were two Mysteries that were working in mankind. God sent out a wedding invitation; remember the parables? Satan sent one out too, to try and divert people from God's invitation. What side people would be on was determined by how they would relate to this covenant relationship God was trying to put them in.

This time period began in 1840. In 1840 God sent out an invitation. Two classes of men are represented, the wise and the foolish virgins. The wise

virgins in 1844 accepted the covenant relationship and God is building on that with us today. But also in 1844 there was a group that went into a covenant relation with Satan. How the Bible puts it in Daniel 11:30, was that they 'forsook the holy covenant'.

This happened in United States of America and in 1844, the Papacy found vantage ground—Protestant America forsook the holy covenant but yet she hasn't struck, and she's looking to strike.

In Daniel 11:40 the King of the South is spiritually recognized as Egypt. How can we say that the King of the North is the Papacy if it's controlling Babylon? The Bible calls the Papacy at the end of the world, spiritual Babylon. Notice Revelation 17:1.

- Revelation 17:1 "And there came one of the seven angels which had the seven vials, and talked with me, saying unto me, Come hither; I will shew unto thee the judgment of the great whore that sitteth upon many waters: 2 With whom the kings of the earth have committed fornication, and the inhabitants of the earth have been made drunk with the wine of her fornication. 3 So he carried me away in the spirit into the wilderness: and I saw a woman sit upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns."

The things he is being shown apply spiritually.

- 4 "And the woman was arrayed in purple and scarlet colour, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication: 5 And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH."

Spiritual Egypt is Atheistic France, and Spiritual Babylon is the Papacy. If you went back before the 1950s and you took a dictionary and you looked up 'Scarlet Woman', it would say the Roman Papacy. Protestant America at one time understood this but they don't any more. It's sad to see page after page in the newspaper now—seeing them come together with the Papacy; seeing Protestant America coming together and grasping hands with the harlot, the Great Whore of Revelation. Seeing statements like—'we once believed this was the harlot woman but not any more'. These are statements in the papers around the United States of America all the time.

There is a reason for it; notice Daniel 11:—in 1844 Rome found its vantage ground—Protestant America forsook the holy covenant. All she is waiting for is a prime opportunity to strike.

Remember that battle with Chosroes that we told about? This was under the fifth trumpet—the first woe. History called this the battle of Nineveh. This battle was the key that would unlock the bottomless pit. Turn to Revelation 9:1.

- Revelation 9:1 "And the fifth angel sounded, and I saw a star fall from heaven unto the earth: and to him was given the key of the bottomless pit. 2 And he opened the bottomless pit; and there arose a smoke out of the pit, as the smoke of a great furnace;

and the sun and the air were darkened by reason of the smoke of the pit. 3 And there came out of the smoke locusts upon the earth:"

The 'key' was this battle of Nineveh—even though Rome came into Persia and struck a mighty blow in Persia and it was defeated, Rome's armies were so depleted that they couldn't fight any more. There was someone waiting for this to happen by the name of Mohamed, and when he saw that the two great powers standing before him were depleted, he set loose his armies like locusts upon the earth—the Saracen armies. This 'key' unlocked Islam upon the world. In 1844 the first part repeated—vantage ground was gained.

Turn back to Daniel 11:40.

- 11:40 "And at the time of the end shall the king of the south push at him: and the king of the north shall come against him like a whirlwind, with chariots, and with horsemen, and with many ships; and he shall enter into the countries, and shall overflow and pass over."

Historically, did the Papacy ever retaliate against Atheistic France? No it did not—but why could it not do it? It couldn't, because it had received a wound—it continued as a church but its civil power was broken. The Papacy never has its own army—so when the civil power was broken it was like a dog with no teeth—it can bark, but it can't do anything but gum you to death. The Papacy's power was broken so we don't see it ever fighting back against France.

So how can the Bible say that this King of the North—this Papal Rome power, would come against the King of the South?

#### Under a New Name

"...the "triumphing of the wicked is short;" so was it in France, for their war on the Bible and Christianity well-nigh swallowed them all up. They set out to destroy Christ's "two witnesses," but they filled France with blood and terror, so that they were horror-struck at the result of their own wicked deeds, and were soon glad to remove their impious hands from the Bible.

"In 1793, a decree passed the French Assembly suppressing the Bible. Just three years after, a resolution was introduced into the Assembly superseding the decree, and giving toleration to the Scriptures...Nothing but the appalling results of the rejection of the Bible could have induced France to take her hands off these witnesses...

"Their God-dishonoring and Heaven-defying work filled France with such scenes of blood, carnage, and horror, as made even the infidels themselves tremble, and stand aghast; and the "remnant" that escaped the horrors of that hour "gave glory to God" - not willingly, but the God of heaven caused this "wrath of man to praise him," by causing all the world to see that those who make war on heaven make graves for themselves; thus glory redounded to God by the very means that wicked men employed to tarnish that glory." Daniel and the Revelation, 535-537

Atheism lost its voice, or government, though it continued to have philosophical influence. Atheism is a philosophy—there are people who are Atheists but they don't have a government. France had an atheistic government during the revolution but lost it soon after—but did Atheism cease? No, it just kept going on as a philosophy in the minds of men.

Two of the prophetic characteristics of atheism are that it comes into power by the use of revolution and it does so within countries that are controlled by the papal power. France was 'the eldest son of the church' remember Clovis the first of the seven kings. But now the teeth were broken of this philosophy and it began to go around the world and by 1917 atheism once again gained control of a government by the use of revolution, the Bolshevik or Russian Revolution. Thus atheism took a new name, communism.

It is also interesting to note that it did so again within the confines of papal controlled countries. In 1917 the Soviet Union became the King of the South.

So when we see the King of the North coming against the King of the South in Daniel 11:40—it is now coming against the Soviet Union.

Do we ever see the Papacy retaliating against communism? Yes we do—and when this took place—she struck. Vantage ground was given in 1844; and when she struck against communism that vantage ground was used and we're in the final movements.

#### The Retaliation

**AGAINST** – 5921: same as 5920...5920: from 5927...5927: Prim. root; to ascend...to mount. – Ibid.

Where once she was laid low because of the deadly wound she now begins to ascend from the ashes; she begins to resurrect. But in order for her to rule as queen—head of the world—she has to overcome three obstacles. The first is the King of the South.

**WHIRLWIND** – 8175: a primary root; to storm...come like (take away as with) a whirlwind. – Strong's

She's coming up—rising into power and she's sweeping away the King of the South.

- 11:40 “And the king of the north shall come against him like a whirlwind, with chariots, and with horsemen, and with many ships; and he shall enter into the countries, and shall overflow and pass over.”

If you knew that chariots and horsemen were coming—you would think of an army coming.

#### **Chariots and Horsemen:** Military power

- Exodus 14:9; “But the Egyptians pursued after them, all the horses and chariots of Pharaoh, and his horsemen, and his army, and overtook them encamping by the sea, beside Pihahiroth, before Baalzephon.”

- 1 Kings 20:1 “And Benhadad the king of Syria gathered all his host together: and there were thirty and two kings with him, and horses, and chariots: and he went up and besieged Samaria, and warred against it.”

In the Bible horsemen and chariots refer to military power. The King of the North would retaliate against the King of the South by the agency of military power. Remember the Papacy never has its own army—it always borrows the army of another. The Bible says that this military power would come with the Papacy in order to battle against communism.

It says; horsemen and chariots—and many SHIPS. What do ships represent in the Bible? You know if we would just take our concordance we could break down the meanings of these verses and we would not have to worry about who’s teaching this or that and wondering if it is error—because the Bible explains itself!

### **Ships: Economic Power**

- Psalm 107:23; “They that go down to the sea in ships, that do business in great waters;”
- Proverbs 31:14; “She is like the merchants' ships; she bringeth her food from afar.”
- Revelation 18:17-19 “For in one hour so great riches is come to nought. And every shipmaster, and all the company in ships, and sailors, and as many as trade by sea, stood afar off, 18 And cried when they saw the smoke of her burning, saying, What city is like unto this great city! 19 And they cast dust on their heads, and cried, weeping and wailing, saying, Alas, alas, that great city, wherein were made rich all that had ships in the sea by reason of her costliness! for in one hour is she made desolate.

So whatever power aided the Papacy to retaliate against the King of the South is represented as having both military and economic strength. When the Papacy struck against Communism she did so by the agency of the ‘False Prophet’, the United States of America. Bible Prophecy shows this power to have both military power and economic strength.

The two horns on the beast in Revelation 13:11 are Protestantism and Republicanism, but in 1989 they changed to military might and economic power and you can see it in Revelation 13. The papacy overcame its first geographical obstacle in 1989 with the aid of military and economic pressures provided by the USA.

The USA began its prophetic role as the false prophet that would speak as a dragon in Revelation 13 and 16.

We here see Daniel’s Testimony matching up with John the Revelator as it shows that the Lamb-like Beast exercises Military and economical power to enforce her decrees.

- Revelation 13:15 “And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.”

### **Military Power**

- 16 “And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: 17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.”

### **Economic Power**

Military and Economic Power are the Biblical identifications of the United States of America. In 1989, when communism fell, the Papacy struck. Let's apply those 9 Prophetic Keys and see what is really going on behind the scene.

### **The 9 keys as they apply to Daniel 11:40-45**

**Prophetic Key # 1** – A power was grieved or restrained in its ability to rule the world supremely and from fulfilling its prophetic role to place the next power on its throne

In 1798 the Papacy was grieved by Atheistic France in 1798.

During the 'Cold War' with Russia, USA was grieved—restrained from being the world power and prevented from fulfilling her prophetic role of re-setting the Papacy on the throne of the world. So there was the grieving of two powers just like in verse 30.

**Prophetic Key # 2** – The offense of a holy covenant or promise

The holy covenant, being the protector of religious freedom and separation of church and state given to the United States, was attacked during the Reagan years, when USA came together with the Vatican and when it sent its first ambassador to the Vatican, 1984. It was tried before in the past but American Protestants stood up against it then—this time it went through secretly. So the wall of the holy covenant began to be broken down—the holy covenant of religious freedom—separation of church and state.

**Prophetic Key # 3** – A secret alliance with a divergent power

In 1984 the first ambassador goes to the Papacy and United States had intelligence with the Papacy by means of the CIA - Central Intelligence Agency. It used this intelligence and formed a secret alliance—in the 'Times' article it was called the 'holy alliance'. It was an unholy alliance—by 'reason of transgression'—church and state coming together. The horns were beginning to change—it began to fulfill its role as the false prophet. The CIA agents would visit the Pope and show him maps and get military orders from the head of a church.

In verse 30 we also see that the Papacy would have intelligence with them that forsook the holy covenant. Protestant America forsook the holy covenant. God sent out a message in 1844 to try and have the mystery of godliness rise in the people and they forsook it and instead the mystery of iniquity was doing its work. So the Papacy was coming together with Protestant America by the

forsaking of this holy covenant—this marriage invitation—so there is a spiritual application as well as a literal one.

**Prophetic Key # 4** - A power seeks for vantage ground in order to strike. In 1844 this vantage ground was given as America forsook the holy covenant.

**Prophetic Key # 5** – Once opposing powers they now gave their support to the Papacy.

Protestantism has only one meaning—to protest Rome is the only definition. When you cease to protest Rome, whether you want to say you are a Catholic or not, when you cease to protest against Rome, by default you go back to Mother—you become Catholic again. Here we have USA coming together with the Papacy—a power that was once opposing now gives support to the Papacy. A ‘Little Vatican’ was set up in Washington DC.

USA gives its Military power to overcome 3 geographical areas and the first one was the Soviet Union. 1989

This is the same as in verse 30 when the 3 horns stood in the way of the Papacy coming to world power; ‘arms stood’ for the Papacy and Clovis of France 496 gave his military power to the Papacy followed by the rest of the 7 kings of Europe ending in 508—the ‘Daily’ was removed. They became the military arm of the Papacy in order to remove the 3 powers. United States plays the role of Clovis. In 1989 the Papacy struck and the United States is just doing her bidding. United States has become the False Prophet of Bible Prophecy. The first of the three obstacles is already past, and when the next one comes—probation starts closing for Adventism and we’re almost there.

**Prophetic Key # 6** – The polluting of a sanctuary or safe haven of strength.

United States will have polluted its ‘sanctuary’, or another meaning is safe haven, the Constitution, the upholder of religious liberty. It will have polluted its sanctuary or safe haven at the Sunday Law. Already amendments are being made to the Constitution and it has no power—even in court. The judge has the ability to say whether it will be honored in his courtroom. These events move into verse 41 where we see the Sunday Law in America.

**Prophetic Key # 7** – The changing of ones national religion.

If I cease to be Protestant, cease to protest against Rome—a Protestant is one who protests Rome—by default I become Catholic. When United States became the False Prophet it ceased to be Protestant and became a Catholic state. America is repeating the role of Clovis of France. It gave its sword and it changed its religion in order to bring down the three geographical obstacles the Huruli, the Vandals and the Ostragoths to set up the Papacy the first time.

**Prophetic Key # 8** – The overcoming of three geographical obstacles in order to place the Papacy on its throne.

Now America fulfils the role to help it overcome the three geographical areas of the Soviet Union, United States of America and the United Nations of

the world. America aided it already with the first one in 1844. Atheistic Communism was removed. The next one is the Glorious Land—the United States of America and it happens at the Sunday Law. The last one is Egypt—the United Nations of the world. At the second one, probation begins closing on you and me and we're so close that you can almost reach out and touch it.

**Prophetic Key # 9** – Once the papacy conquers the third geographical obstacle it starts to persecute God's people. When the third geographical obstacle is removed persecution will transpire.

She was searching for vantage ground so she could strike and we gave it to her in 1844. She struck in 1989. Everything that is happening now is just setting up for the great blood-bath that is about to transpire. Our Adventist time of visitation is now!

We know the ball is rolling—that first geographical area is gone in 1989, and when the second one comes in and the Sunday Law arrives what happens to Adventists? Probation closes and are we ready? We are just living between a few words in the Bible. Jesus is ready to do His work in the church and He is working now. The Latter Rain is being sprinkled out upon a few who recognize the movements and the events. Are we going to be one who will receive the Latter Rain, who will receive the experience and go forth and trouble the King of the North?
